## GRAPEFRUIT & MARIGOLD TREE HUGGIN' TRESSES SHAMPOO & CONDITIONER

An invigorating blend of earthy herbals and tangy citrus that can be used on every hair type!

## LAVENDER & CLOVER ROOT REHAB FOR DAMAGED | COLOR TREATED HAIR SHAMPOO & CONDITIONER

Lavender & chamomile soothe your tired tresses while red clover oil and burdock root heal your scalp and hair follicles.

## ROSEHIP & BERGAMOT STYLIN' SAP LIGHT TO MEDIUM ECO-CRÈME & ECO-GEL

Our eco-crème is a light texturizer that gives nourishment and a slight sheen without being overly heavy. Eco-gel is a lightweight gel that can be used for wet or dry styling.

At Acorn Organic Salon we strive to educate our clients on product safety and how important it is to use products with ingredients that don't harm people or our environment. We are thrilled to offer the Acorn Organics haircare line with all natural ingredients that meet our high standards and are safe for our clients, ourselves, our children and the planet!
